The VP Membership of The Gabbys clubs have been at the top of their game in all parameters of Club Growth - attracting guests to our meetings, converting guests to members and retention of members

The Vice President Membership (VPM) in a Toastmasters Club plays a critical role in attracting, onboarding, and retaining members. The VPM's primary responsibilities include promoting the club to potential new members, managing membership applications, and ensuring a welcoming atmosphere for guests and new members. This involves developing and implementing membership-building strategies, organizing open houses or special events, and following up with guests to encourage them to join.

The VPM assists new members with the enrollment process, provides orientation about the club's structure and educational programs, and introduces them to existing members. Retention is also a key focus, with the VPM regularly checking in with members to ensure they are satisfied with their experience and addressing any concerns they might have. As a member of the club's executive committee, the VPM participates in planning and decision-making to support the club's growth and vitality. Effective communication, enthusiasm, and a friendly

demeanor are essential skills for the VPM to successfully engage with potential and current members. The VPM also collaborates with the Vice President Education to help integrate new members into the club's activities and educational programs. The success and sustainability of the club significantly depend on the VPM's efforts in membership growth and retention.

A Message from the Charter President of the first of The Gabbys Clubs

Nancy Goel, DTM

It is with immense pride and heartfelt gratitude that I address you today as the Charter President of The Gabbys Toastmasters Club. When we embarked on this journey in September 2020, amidst the uncertainty of a global pandemic, we could not have envisioned the remarkable growth and success we have achieved together. Starting with just 23 members, our club has flourished and multiplied, giving birth to The Gabbys Online in June 2023 and The Gabbys International in December 2023.

Our collective commitment to excellence, learning, and mutual support has propelled all three clubs to consistently earn the prestigious President's Distinguished Club status since their respective charter dates. This accolade is a testament to our unwavering dedication to the Toastmasters mission of empowering individuals to become more effective communicators and leaders. The journey from our humble beginnings to the present day has been marked by countless milestones and achievements. Our clubs have not only grown in numbers but have also produced outstanding leaders who have gone on to serve as District Officers. These leaders have exemplified the spirit of Toastmasters, inspiring others with their dedication, vision, and commitment to excellence. Furthermore, our clubs have been a nurturing ground for talent, producing numerous Contest Champions who have shone brightly at various levels of competition. These champions have demonstrated the power of perseverance, practice, and the pursuit of excellence, serving as role models for all members.

As we celebrate these accomplishments, let us also look to the future with optimism and determination. The Gabbys family has proven that even in the face of adversity, we can achieve greatness through collaboration, resilience, and a shared vision. Let us continue to support one another, strive for excellence, and expand our horizons. I extend my deepest gratitude to each member for their contributions, enthusiasm, and commitment. Together, we have built a legacy of excellence that will inspire future generations of Toastmasters. Congratulations to all of you on these remarkable achievements, and here's to many more years of success, growth, and transformation.
